Prosperity Flow Reiki is a fixed fee system. The price is \$15.00 or the equivalent in your currency.

Prosperity Flow Reiki is a part of the Flow Reiki System. Each attunement in the Flow Reiki System is \$15.00. Each one can be purchased individually and used alone or combined with the other attunements in the Flow Reiki system. There is no certain order in which they need to be received and

there is no prerequisite for being attuned to any of them. They can each stand alone as individual attunements.

Flow Reiki is divided into individual sections. You do not have to take them all, and are able to purchase only the ones you feel drawn to. If you would like to purchase all 5 of the various attunements to Flow Reiki, the price is discounted to \$60 for all 5 attunements if purchased together—this is a fixed fee price for the group of these 5 attunements.

Prosperity Flow Reiki

Prosperity Flow Reiki harmonizes your energies to the frequency of prosperity. This system connects you to the higher energies of manifesting prosperity. When you are in harmony with prosperity, you draw prosperity to you. You vibrate with the energies of prosperity. When you are in alignment with prosperity, the energies of lack, limitation, and poverty consciousness cannot stay in the energy fields of prosperity. Those negative energies cannot exist in the same light and energies of prosperity.

Prosperity Flow Reiki

The energies of prosperity are always ready and accessible to use any time we need them. The problem we usually have is that we often get sidetracked, knocked off course, or caught up in worry. These things distract us from creating more money in our lives. When something happens that disrupts our flow of prosperity energies and our connection to the flow, we begin to feel negative emotions—fear, worry, and even panic. When these feelings are present (and they are powerful emotions) we are not in the flow of prosperity. Our energy flow is blocked. In this case it is the energies of prosperity. Prosperity will not flow to us when we worry, stress over money, or feel afraid that we won't have enough.

You could think of the energies of prosperity flowing through a cord that connects you to prosperity. When the prosperity flow cord is clear and open, you are in harmony with prosperity and the energies are of a high vibration that is very positive. Money will come easily to you and in abundance. When you worry or are filled with doubts and fear about money issues, this prosperity flow cord closes up and money cannot flow in easily, if at all. The more you worry, the tighter the prosperity flow cord closes.

Prosperity Flow is the divine energies of manifestation that connects you quickly to the Universal Source to help you to draw positive energies of Prosperity and money to you. All that you ever need already exists and is in the etheric world. In order to manifest prosperity in your life, you must connect to the etheric energies of money and prosperity through Spirit and

draw it to you. It exists in the ethers, and you must manifest it into the physical realm. The Prosperity Flow Reiki brings these positive energies of prosperity to you through the prosperity flow cord and the energies flow through you to raise your vibration to be in harmony with and of the same frequency of prosperity. This does not mean you can do nothing at all and just have money drop in your lap. You will have to take action, for example if you want a job, you must put in applications for the job, but when your energies are in alignment with prosperity, this will happen easier and your abilities to draw more money to you will increase. Money will flow to you with ease when you are in harmony with prosperity.

Below is the Prosperity Flow Reiki Symbol:

Prosperity Flow Reiki Symbol

The symbol represents all phases of the moon with manifestation in completion as shown in the full moon phase. This does not mean necessarily that it will happen by the full moon, rather it means that you begin, work toward prosperity and it comes to you in full measure as being manifested in the physical plain.

To use the symbol, you can draw it in the palms of your hands with your finger and use the money symbol that is in your currency. For me it is the dollar symbol. For you, it may be the British Pound or Euro symbol, etc. Place your palms together and run the energies. State what it is you want to receive and manifest in relation to prosperity. You may also draw the symbol on a small piece of paper and place it under a candle in a safe candleholder to draw extra energies.

This will connect you to the Source and to the energies of prosperity to draw in more money and harmonize your energies to prosperity. It opens the cord of prosperity flow so that money is allowed to flow to you easily.

You may also want to chant. The chant can be whatever works for you.

Example: Money flows to me easily and frequently.

Or

My life is filled with prosperity and abundance.

These are examples. You may want to say the chant several times throughout the day, though it is suggested that you run the prosperity flow reiki energies once a day at first, and then maybe once a week to keep the prosperity flow cord open so money flows to you more easily.

To Receive This Distance Attunement:

To receive your attunement, you will need about 20 to 30 minutes of quiet time to receive the energies of the attunement. You may receive the attunement distantly, as chi ball, or in person.

When you are ready for your attunement, get comfortable, relax, and take three deep breaths, exhaling slowly to relieve any stress of the day. Then when you are ready, say, “I accept this attunement for (name of attunement, and level if appropriate) from (name of teacher) now.” Then just relax and allow the energies to flow in to you, and enjoy it.

You will receive the attunement in the same way, no matter how it is sent to you. The difference in the methods of sending attunements varies, but the actual receiving of any attunement is always the same.

To Send This Distance Attunement:

This attunement can be passed in person, distantly, or as chi ball method. The attunement is passed with intention in the manner that works best for you. Each person is a bit different in how they like to pass attunements—some use crystals, some use meditation, or soft music, chanting, or many other personal ways to increase power and ease of sending or passing attunements. It is my belief that each teacher knows what is the most comfortable, enjoyable, and powerful way that works best for them to pass on attunements, and whenever passing attunements you should always follow your guidance. Here is the basic method:

Get comfortable and relax. Take three deep breaths and exhale slowly to release any stress or tensions of the day. When you are ready, say, “I ask that (name of person being attuned) be attuned to (name of attunement, and level if appropriate) on (date and time).

If the attunement is sent as chi ball, you must create the energy sphere by creating energy between the palms of your hands, (move them closer together and out again—back and forth with your palms facing each other to build the energy), and use visualization to see the sphere or chi ball. Then place the attunement energies inside the chi ball or energy sphere with visualization as you say, “I ask that (name of person being attuned) be attuned to (name of attunement and level if appropriate). I ask that the energies of this attunement be placed within this chi ball and that the energies be kept pure until (name of person being attuned) accepts this attunement. I ask that this (name of attunement) chi ball go now to (name of person being attuned) and continue to float around (him or her) until he or she calls it in and accepts this attunement. I thank you. And so it is.”

Again, I stress this is a basic way to send this attunement as chi ball and you as teacher should always pass attunements in the way that is best for you with pure intention. You may want to seal the chi ball sphere with angelic protection to keep the energies within the sphere pure until the student calls in the attunement. You can do this by simply asking the Angels, or specific Angel like Archangel Michael to seal the energies with angelic light to protect them and keep them pure until they are received by the student. But again, you should do this in your own way. Always use the method and means of protection that work best for you.

**May your life be filled with great blessings of prosperity and abundance and may money always flow easily and frequently to you. And so it is!
Many Blessings,
Linda**
