The Calming Spiritual Waters Empowerment

Many people are hyper active and are unable to calm themselves down which can cause all sorts of problems in their lives. There are also lots of people suffering from anxiety, panic attacks etc, so this empowerment when called upon will bring great relaxation to ease tensions and bring over active hyper actions to a better more controlled level.

Relax and bask in spirits embrace and feel all of the love they have to give you bringing you the peace, tranquility, soothing and calmness you need. Breathe easy with spirit as they help you through your issues.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive, the calming spiritual waters empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from the gift of spirit. Remember, spirit will always be there for you when you need the peace and calm in your life.

The Calming Spiritual Waters Empowerment

I was compelled to channel and write this manual at Christmas, a time when a lot of people around me were hyper and panicking, rushing around trying to fit everything in. I could see the tension and stress it was causing them and spirit prompted me to do something about it for everyone's availability. It's a pleasure to bring this empowerment to all who need it, I hope you enjoy it?

Blessings
