White Dragon Reiki

White Dragon Reiki connects you to the spirit of dragons, particularly the White Dragon. This Dragon is the Dragon of purification, cleansing, and protection from negative energies and entities. The White Dragon clears your path, removes blockages in your energies and energy fields. The White Dragon heals sorrow, regrets, guilt, and all negative emotions within your being and energy fields. The White Dragon, then fills each chakra with pure love and light to bring peace, love, light, harmony, and happiness into your life. The White Dragon is so highly connected to Spirit and The Creative Source that you will feel a very beautiful, loving, energy as the White Dragon works to purify, cleanse, and heal you in body, mind, and spirit.

White Dragon Reiki

The White Dragon comes through as a very powerful being that carries the white light of Spirit. The energies are masculine in that there is a strong courage, strength, and power that is more aggressive than is normally associated with femininity. The White Dragon is a definite presence to be reckoned with should any negative energy confront him.

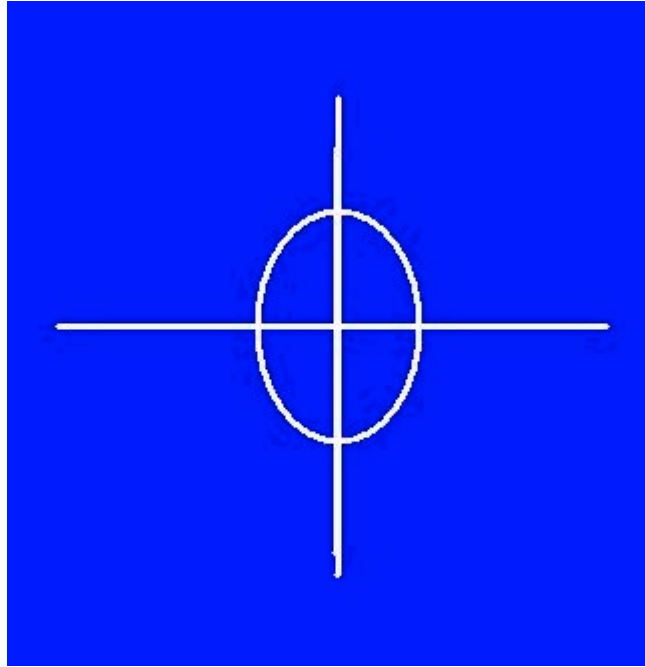

The White Dragon radiates purity and truth, wisdom and honor, and the white light pulls out negativity which may be attached to your energies fields. The White Dragon draws out anything negative or that is not for your highest good that may be clinging to your energies, body, or spirit.

Often, we can pick up negative energies from others without any knowledge of it. It is as though these negative energies just are drawn to and cling to you. This can happen when you are working with others, as in holistic healing or the medical profession very easily. But you may be in any profession. Any time you are around someone who is feeling depressed, or just down, or unhappy, angry, or upset in any way, these negative emotions which are so powerful can attach to you, drain your energies, and cling to you. Over time, this can build up and wear your resistance down to illness or disease. It is very important to keep your energy field – physical, mental, and spiritual all cleansed regularly and protected from the influences of others and any attachments of any kind.

Your chakras may become clogged, out of sequence, sluggish, or even swing into the opposite direction and begin to spin backward, too fast, or irregularly.

The energies of the White Dragon are powerful and easy to use to cleanse, clear, and purify your chakras or that of others. It only takes a few minutes and there is a complete clearing of negative energies.

Below is the symbol for the White Dragon Reiki

White Dragon Reiki Symbol

The symbol represents the point of cleansing as if looking through the eye of the dragon. The point in the center of the circle where the two lines come together is the main point of the targeted area.

It is like looking through a scope to pinpoint what you need to clear and cleanse.

To use this symbol, draw it with your finger in the palms of your hands and place your palms together. State what you want to clear, cleanse, or heal.

Then say, "White Dragon Reiki" and allow the energies to run.

It is my suggestion that you experiment with ways to use the power and energies of the White Dragon, because new aspects will continue to come forward, and each person may receive something from the White Dragon that works special and is more powerful for that individual person.

However, here are some basic ways to use the energies of the White Dragon Reiki:

To clear space, your home, office, property, car, etc.

To clear and cleanse an item, a thing such as a crystal, stone, or other thing

To clear any food you eat of negative energies before you eat or drink it

To clear and cleanse your chakras, your energy fields, your body, mind, and spirit before meditations, or anytime you feel you need to become unblocked and have clear flowing energies.

To work to reduce illness or disease—in this case you are working to reduce or dissolve the illness or disease. Focus is the key and also state what you intend the energies to do. This is very good for any illness or disease, including tumors, fevers, cancer, or anything else. Stay focused and continue these healings every day.

To remove negative entities, spirits from something—sometimes certain entities or spirits are resistant to leaving—the White Dragon will escort them away and banish them so they cannot return if you state that as your desire when you run the energies.

Busting (Breaking, Exploding) Energies

The other way to use the energies of the White Dragon Reiki are: To bust (as in to break up or explode) an illness, fever, or disease. This will still need to be done daily for stubborn issues. But with this technique you will need to visualize whatever it is you are busting or breaking up as exploding into tiny pieces that dissolve and fade away.

This can be done with bad relationships as in severing the ties, only it is a breaking the cords between you and another person. You cannot cause harm with this energy—there is a safety measure that the White Dragon will not allow you to break up other people's relationships or harm others. The energies if someone tries to use them for that reason or in a harmful way won't hurt anyone, they simply will not work. All must be for the highest good, for clearing, cleansing, and for healing

To Receive This Distance Attunement:

To receive your attunement, you will need about 20 to 30 minutes of quiet time to receive the energies of the attunement. You may receive the attunement distantly, as chi ball, or in person.

When you are ready for your attunement, get comfortable, relax, and take three deep breaths, exhaling slowly to relieve any stress of the day. Then when you are ready, say, "I accept this attunement for (name of attunement, and level if appropriate) from (name of teacher) now." Then just relax and allow the energies to flow in to you, and enjoy it. You will receive the attunement in the same way, no matter how it is sent to you. The difference in the methods of sending attunements varies, but the actual receiving of any attunement is always the same.

To Send This Distance Attunement:

This attunement can be passed in person, distantly, or as chi ball method. The attunement is passed with intention in the manner that works best for you. Each person is a bit different in how they like to pass attunements—some use crystals, some use meditation, or soft music, chanting, or many other personal ways to increase power and ease of sending or passing attunements. It is my belief that each teacher knows what is the most comfortable, enjoyable, and powerful way that works best for them to pass on attunements, and whenever passing attunements you should always follow your guidance. Here is the basic method:

Get comfortable and relax. Take three deep breaths and exhale slowly to release any stress or tensions of the day. When you are ready, say, “I ask that (name of person being attuned) be attuned to (name of attunement, and level if appropriate) on (date and time).

If the attunement is sent as chi ball, you must create the energy sphere by creating energy between the palms of your hands, (move them closer together and out again—back and forth with your palms facing each other to build the energy), and use visualization to see the sphere or chi ball. Then place the attunement energies inside the chi ball or energy sphere with visualization as you say, “I ask that (name of person being attuned) be attuned to (name of attunement and level if appropriate). I ask that the energies of this attunement be placed within this chi ball and that the energies be kept pure until (name of person being attuned) accepts this attunement. I ask that this (name of attunement) chi ball go now to (name of person being attuned) and continue to float around (him or her) until he or she calls it in and accepts this attunement. I thank you. And so it is.”

Again, I stress this is a basic way to send this attunement as chi ball and you as teacher should always pass attunements in the way that is best for you with pure intention. You may want to seal the chi ball sphere with angelic protection to keep the energies within the sphere pure until the student calls in the attunement. You can do this by simply asking the Angels, or specific Angel like Archangel Michael to seal the energies with angelic light to protect them and keep them pure until they are received by the student. But again, you should do this in your own way. Always use the method and means of protection that work best for you.

Reiki is a form of energy healing that always helps and never harms. If you are ill, please see your physician. Reiki works hand in hand with the medical profession. Results may vary.
